As in the past years, the KASBC is coordinating the sale of questions that were prepared for the 2002 KSHSAA Regional and State Scholars' Bowl competitions. **These questions are only available through KASBC.**

Each Regional/State packet of questions contains 34 rounds of 16 questions as defined for SB competitions. These questions were written by Kansas Scholars' Coaches and validated by KASBC volunteers for the 2002 KSHSAA Scholars' Bowl competitions.

This year the questions are on CD in pdf format. The questions are being provided in two formats – rounds and category – in two folders on the CD.

The CD will be mailed directly to you once your order form with payment is received & allowing a few days for processing. The cost is \$15 for KASBC members and \$40 for nonmembers. (This is a cost that most districts will cover for their Scholars' Bowl coach or covered in the school's budget for scholars' bowl.) Deadline to order questions: Feb. 12, 2011.

Enclosed are fees for this school year: Make check out to KASBC **(No purchase orders)**
