(500 words A; 400 words B; 300 words C)

Scenario: You have just received a call from the Dean of Western Technical University. She has asked for your assistance because you are a multimedia consultant who specializes in educational media. It seems that Professor Green, a history instructor, needs assistance with his lectures. They are dry and boring. His students are having a difficult time staying awake during class! The Dean wants you to assist Dr. Green in developing interesting lectures.

From your knowledge of past history classes and your expertise in using multimedia presentation packages, you must develop a plan for Dr. Green. The Dean expects a full report, so be sure to include presentation methods like charts and graphs, photos, video clips, sound bites, etc. Select a variety of media that will support his lectures and explain how to use them.

1st Paragraph: Write an Introduction by explaining the above scenario in your own words.

2nd Paragraph: Explain how different types of multimedia presentation software could be utilized to teach history to make it more interesting.

3rd Paragraph: Discuss the advantages of the professor using multimedia.

4th paragraph: Go out to the Internet and research words pertaining to your critical writing; include what you have found (IN YOUR OWN WORDS).

5th Paragraph: Suppose that the professor required the students to use multimedia in their assignments. Discuss what those advantages might be for the professor AND the students.
