CAD DB # 2 Smart Home Floor Plan

1. PROJECT	
(10) Is the CAD floor plan design futuristic?	
(10) Does it include energy efficient devices? (at least two)	
(10) Does it include time saving devices? (at least two)	
2. POSTER	
(15) Does the poster include a list of materials used for the home?	
(15) Does it include a bibliography of researched information?	
3. PRESENTATION	
(10) Was the presentation done in a professional manner?	
(10) Were sketches and art work presented	

4. Historical Research (20)—Did the design team include adequate responses to each of the questions in the “historical research” section? (SIX Q)

Partners divided the 6 Q's and A's? #1 \_\_\_\_\_ #2 \_\_\_\_\_

Did partners share the other work equally? \_\_\_\_\_
