

Morris County Schools Make Standard of Excellence

(December 13, 2006) The students of Morris County USD 417 perform at high levels of achievement on state assessments. The district extends congratulations to our students, staff, board of education, and communities for their contributions towards helping our students and schools earn academic honors on the Spring 2006 Kansas Assessments.

The state of Kansas defines *Standard of Excellence* as having a minimum percentage of students scoring in the Exemplary performance level on state assessments, which is the highest level of learning. In addition, no more than a maximum percentage of students are allowed in the academic warning performance level.
